**A smarter
way to travel**

It's smart

A smarter way to travel

Monorail Smart is smart ticket technology that saves you time and money. Easy to use, simply touch your card to the turnstile reader – no need to even remove it from your wallet – a ride will be deducted and in a few seconds you will be on your way.

Monorail Smart is quick and easy. It's safe and reliable. Should your card get lost or stolen, it can be cancelled and replaced with any rides you had previously purchased[#].

Monorail Smart offers a significant discount for regular Monorail customers.

Recharging

Recharge any time. Add discounted rides to Monorail Smart at any station, at your convenience.

Lost cards

If your card is lost or stolen tell us as soon as possible, via email or phone, and we can deactivate your card so no one can use your rides. We will replace it with a new card with exactly the same rides on it for a small admin fee (\$10).

Your Monorail Smart card is a non-transferable, personal card for use by the card holder only. You must provide your personal details such as name and contact to activate and register your Monorail Smart card. By registering your card, in the event your card is lost or stolen, Metro Transport will replace the number of rides on your misplaced card. The number of rides/trips will be taken from the time that the loss is reported. A \$10 admin fee applies for card replacement. As the NSW Government has confirmed Sydney Monorail will close on 30 June 2013, all Smart cards and their associated ride/trip balance are only valid up to and including this date. Note that card ride/trip recharge and balance limits apply. For further details on Smart terms and conditions visit www.monorail.com.au.
